Under advisement from the Board of Supervisors (Board) meeting on September 10, 2019 (LF ID #96924), the Board directed that Administration provide an off-agenda report related to the total unduplicated number of people receiving diversion through mental health services (MHS), and substance use treatment services (SUTS) provided by the Behavioral Health Services Department (BHSD). This report provides the requested information.

Here is a table that reflects information for fiscal year (FY) 2019 and the year-to-date information for FY 2020.

Fiscal Year	Time Period	Number of Unduplicated Clients Served		
		MHS Only	SUTS Only	MHS and SUTS
FY 2019	7/1/2018 - 6/30/2019	2,164	770	164
FY 2020	7/1/2019 - 12/31/2019	1,161	363	98

BHSD continues to monitor client access in both mental health and substance use treatment service programs and ensure that justice involved clients are receiving needed services and care coordination.
