SUBJECT: Affordable Housing Jumpstart Program Funds

Under advisement from October 22, 2019 (Item No. 20), this report serves to confirm that the County is receiving its fair share of Affordable Housing Jumpstart Program funds from the Metropolitan Transportation Commission (MTC).

On December 14, 2016, MTC adopted Resolution No. 4260 approving the reallocation of $10,000,000 from the Transit Oriented Affordable Housing fund to create the Affordable Housing Jumpstart Program (Attachment A). MTC approved an allocation of 30% of the funds, or $3,000,000 for Santa Clara County.

OSH Staff worked with MTC Staff to identify an eligible affordable housing development located within a Priority Development Area. The Quetzal Gardens project located at 1695 Alum Rock Avenue in San Jose received the Affordable Housing Jumpstart Program funding. On November 18, 2018, the Programming and Allocations Committee delegated authority to the MTC Executive Director to enter into a funding agreement with the County to advance the Jumpstart funds. Attachment B is a fully executed copy of the funding agreement.

Attachment B: Fully Executed Funding Agreement
Subject: Approve reallocation of funds from the Transit Oriented Affordable Housing fund to create the Affordable Housing Jumpstart program.

Background:
The region's housing crisis continues, with median housing costs at all-time highs coupled with slow median wage growth and limited production of low and moderate income housing over the last 15 years (the region has only produced 35% of very low, low and moderate income RHNA allocations). To tackle these challenges, MTC dedicated $30 million in the last six years to support the construction and preservation of affordable housing. The pilot initiatives for this investment are the Transit Oriented Affordable Housing (TOAH) fund and the Naturally Occurring Affordable Housing (NOAH) program, the latter of which is still in final development since its adoption by the Commission in July 2016. MTC's investments will leverage public, private, and philanthropic funds at least 4:1 on these investments. MTC's housing investments to date are summarized in Table 1 below.

TOAH is intended to help finance the purchase of land for affordable housing projects. MTC’s original TOAH investment of $10 million made over $35 million in loans since inception in 2011, supporting the development of over 800 affordable homes. Most of those loans have been or will soon be repaid as expected when projects secure long-term construction financing, but few new loans are being made due to a lack of construction funding. The lack of state and federal grant funding for affordable or construction mixed income housing construction has severely limited the use of TOAH and the purchase of land for affordable housing overall. As a result of the stifled affordable grant environment, the second allocation of TOAH funding, set aside in 2014 as a part of OBAG 1, has not been deployed.

Staff therefore recommends re-purposing the funds set aside for TOAH in February 2014 for a different but timely purpose. We propose creating an Affordable Housing Jumpstart grant program to reward those counties voting for housing bonds and galvanize new projects. Specifically, the funds would be provided to San Francisco County (Proposition A for $310 million), Alameda County (Proposition A1 for $580 million), and Santa Clara County (Proposition A for $950 million). San Francisco’s housing
bond, passed in 2015, has already helped jumpstart affordable housing construction. Challenge grant funds would complement these bond funds to secure sites for projects or help fund the inherent gap needs that affordable projects have where site control is already in place. Staff is recommending that this investment be leveraged at a minimum of 9:1 at the end of construction as outlined in Table 2.

Staff suggests that these funds specifically target communities undergoing the most pronounced change as defined by the density of census tracts removed from MTC’s Communities of concern designation. Neighborhoods such as the Mission District in San Francisco, home to six census tracts (with a combined population of 25,969 in 2014) that are no longer Communities of Concern due to rapid community change, are recommended for funding.

Given the relative cost of land in each county, staff suggest the following distribution of funds: 50% to San Francisco, 20% to Alameda County and 30% to Santa Clara County. Proposition A in San Francisco, passed in 2015, is already at work creating new affordable homes. Staff suggests starting the challenge grant there, while Alameda and Santa Clara Counties establish their programs now that the bond measures have been approved. Staff will conduct an RFP process with its partners in the City and County of San Francisco on a schedule to be determined to identify and select an appropriate site or sites.

In summary, staff recommends redirecting $10 million from the Transit Oriented Affordable Housing fund to the Affordable Housing Jumpstart grant program using the distribution noted in Table 3. Exchange funds are already in hand and can be deployed for this purpose. As a reminder these are “clean” local funds and are therefore eligible to be spent on housing-related expenses.

**Issues:** Staff acknowledges that this $10 million investment is quite modest compared to the affordable housing funding shortfall that the region confronts. But the 9:1 leverage would result in a $100 million total investment. And this new pilot program would offer the Commission another opportunity to “learn by doing” in how to incentivize local jurisdictions to pursue a self-help strategy for closing the region’s gaping affordable housing deficit.

**Recommendation:** Refer Resolution No. 4260 to the Commission for approval.

**Attachment:** MTC Resolution No. 4260
This resolution authorizes Executive Director or his designated representative to transfer $10 million from the Transit Oriented Affordable Housing Fund (TOAH) to the Affordable Housing Jumpstart grant program.

This resolution repeals MTC Resolution No. 4199, which previously allocated this $10 million from the One Bay Area Grant program to TOAH.

Further discussion of this action is contained in the Programming and Allocations Committee summary sheet dated December 14, 2016.

This Master Funding Agreement, effective as of May 1, 2019 (this “Master Funding Agreement” or “Agreement”), is entered into by and between the Metropolitan Transportation Commission (hereafter “MTC”), a regional transportation planning agency established pursuant to California Government Code § 66500 et seq., and County of Santa Clara, a political subdivision of the State of California (hereafter "AGENCY"). MTC and AGENCY are collectively referred to herein as “the Parties.”

WITNESSETH

WHEREAS, MTC has been designated as the Metropolitan Planning Organization (MPO - federal) and the Regional Transportation Planning Agency (“RTPA” - state) for the San Francisco Bay Region; and

WHEREAS, MTC from time to time expects to provide funds available to it as MPO, RTPA or otherwise to AGENCY; and

WHEREAS, it is expected that these funds will be used for planning, programming, transportation, transit, land use or other projects relevant to MTC or its statutory purposes (the “Project” or “Projects”); and

WHEREAS, the Parties wish to set forth the terms and conditions under which MTC may from time to time provide funding to AGENCY; and

WHEREAS, before MTC will make funds available hereunder, MTC and AGENCY will enter into at least one Supplement to this Master Funding Agreement, which must be in substantially the form attached hereto as Exhibit A (each, a “Supplement”) to establish the terms and conditions applicable to AGENCY when receiving funds for the Project;

NOW, THEREFORE, the Parties hereto agree as follows:

1.0 GENERAL

This Master Funding Agreement shall have no force and effect with respect to a Project or any portion thereof unless and until a Supplement has been fully executed by both MTC and AGENCY governing the relevant Project. Exhibit A, Form of Supplement, is attached hereto and incorporated herein. Each Supplement shall include the following information:

a. A description of the applicable Project scope of work;
b. A maximum payment amount for the applicable Project scope of work;

c. An indication of whether the various clauses attached hereto as Exhibits B-1 through B-7 shall apply to AGENCY’s implementation of the applicable Project scope of work;

d. Any additional covenants, conditions, restrictions or reporting requirements that apply to the applicable Project scope of work or funding source MTC is providing to AGENCY;

e. Identification of the MTC and AGENCY project managers for the applicable Project scope of work;

f. The estimated budget and payment milestones for the applicable Project scope of work;

and

g. Any MTC or AGENCY resolutions, authorizations or approvals, or any other key documents, relevant to the applicable Project scope of work or funding source MTC is providing to AGENCY.

Upon execution by MTC and AGENCY of such a Supplement, AGENCY shall assume the responsibility for implementing the applicable Project scope of work, and MTC will administer funding to AGENCY in accordance with this Agreement, the applicable Supplement, and any other documents incorporated by reference into such Supplement.

2.0 INTERAGENCY AGREEMENT ADMINISTRATION

The administration of this Agreement will be conducted by MTC staff. Day-to-day management of individual projects required under this Agreement is assigned to the appropriate Project Manager at AGENCY and Project Manager at MTC, as set forth in the applicable Supplement.

3.0 FUNDING

A. The total compensation to be paid to AGENCY under this Agreement shall be the sum of the amounts of compensation payable to AGENCY as set forth in each Supplement.

B. AGENCY and MTC jointly agree to exert their best efforts to manage each component of the Project in such a way that prevents costs from exceeding the estimated budget set forth in the applicable Supplement.

C. Reimbursement of AGENCY travel expenses and per diem rates are not to exceed the rate specified by the State of California Department of Personnel Administration for similar employees (i.e. non-representative employees)

4.0 TERM

This Agreement is in effect for the five (5) years following the Effective Date. This Agreement term may be extended by mutual written agreement.
5.0 PAYMENT

Contingent upon AGENCY's satisfactory completion of work products or milestones, as applicable, required under the applicable Supplement, AGENCY shall submit invoices to MTC for that portion of the funds available to AGENCY that have been expended. This invoice will be in the format and provided no more frequently than prescribed by MTC in the applicable Supplement. In addition, all supporting documentation must accompany expenditures included on AGENCY invoices. Payment shall be made by MTC within thirty (30) days of receipt of an acceptable invoice, which shall be subject to the review and approval of MTC's Project Manager or a designated representative. Approval of an invoice shall not be unreasonably withheld. AGENCY should submit invoices electronically via email to MTC at acctpay@bayareametro.gov or deliver or mail invoices to MTC, as follows:

Attention: Accounting Section
Metropolitan Transportation Commission
Bay Area Metro Center
375 Beale Street, Suite 800
San Francisco, CA, 94105

6.0 DELAYS AND FAILURE TO PERFORM

Whenever AGENCY encounters any difficulty that will delay timely performance of work, AGENCY shall notify MTC in writing. The parties agree to cooperate to work out a mutually satisfactory course of action.

If MTC determines that (a) AGENCY's failure to complete a product on a timely basis is due to causes solely within AGENCY's control; and/or (b) AGENCY has failed to consider MTC recommendations aimed at facilitating progress toward that product, MTC may impose such sanctions as it may determine appropriate. Sanctions may include withholding of commensurate payment due under this Agreement until compliance is achieved.

7.0 AMENDMENTS

This Agreement or any Supplement hereto may be amended by mutual agreement of MTC and AGENCY at any time during the term of the Agreement. All such changes shall be incorporated in written amendments, which shall specify the changes in work performed and any adjustments in compensation and schedule. All amendments shall be executed by the authorized Executive or a designated representative of MTC and AGENCY and specifically identified as amendments to the Agreement. The MTC Project Manager is not a designated representative, for purposes of executing an amendment.
8.0 TERMINATION

Either party may terminate this Agreement, in whole or in part, at any time upon ninety (90) days' written notice. In this event, AGENCY shall submit a requisition to MTC for an amount representing the actual cost of services performed up to the effective date of termination for which AGENCY has not been previously reimbursed. In no event shall the maximum expenditure allowed under this Agreement, as it may be adjusted by a written amendment signed by both parties, be exceeded. Upon payment of the amount found due, MTC shall be under no further obligation to AGENCY, monetarily or otherwise.

9.0 USE OF THIRD PARTY CONTRACTS

AGENCY may subcontract or subvene funds to local agencies, consultants or contractors for performance of portions of the work required under this Agreement, without the prior written consent of MTC, provided AGENCY complies with any other applicable requirements of this Agreement and the applicable Supplement hereto, and applicable federal and state requirements.

10.0 INDEMNIFICATION

AGENCY shall indemnify, defend, and hold harmless MTC, its Commissioners, representatives, agents and employees from and against all claims, injury, suits, demands, liability, losses, damages and expenses, whether direct or indirect (including any and all costs and expenses in connection therewith), incurred by reason of any act or failure to act of AGENCY, its officers, employees or agents, or subconsultants or any of them in connection with this Agreement.

11.0 LAWS AND REGULATIONS

AGENCY shall comply with any and all laws, statutes, ordinances, rules, regulations or requirements of the federal, state and/or a local government, and of any agency thereof, including but not limited to the California Department of Transportation (Caltrans) Local Assistance Procedures Manual, as they exist at the time of execution of the Agreement and as they may be amended in the future, which relate to or in any manner affect the performance of this Agreement and any Supplements.

12.0 RECORDS

AGENCY agrees to establish and maintain an accounting system conforming to generally accepted accounting principles (GAAP) that is adequate to accumulate and segregate reasonable, allowable, and allocable project costs. AGENCY further agrees to keep all records pertaining to the Project(s) being funded for audit purposes for a minimum of: (a) three (3) years following final payment
to AGENCY, (b) four (4) years following the fiscal year of last expenditure under the Agreement; or (c) until completion of any litigation, claim or audit, whichever is longest.

13.0 AUDITS

AGENCY shall permit MTC and MTC’s authorized representatives to have reasonable access to AGENCY’s books, records, accounts, materials, and other data relevant to this Agreement, for the purpose of making an audit, examination, excerpt and transcription during the term of this Agreement and for the period specified in Article 12. AGENCY shall in no event dispose of, destroy, alter, or mutilate said books, records, accounts, work products, materials and data for that period of time. Such permission shall extend to books, records, accounts, materials, and other data relevant to this Agreement of the AGENCY’s contractors and subcontractors, if any. If applicable, should MTC request access to the construction site and related field operations, MTC shall provide reasonable notice to AGENCY, and AGENCY shall provide access as it deems reasonable and safe, subject to the rights of the property owner if such owner is not AGENCY.

AGENCY further agrees to include in all its subcontracts hereunder exceeding $25,000 a provision to the effect that the subconsultant agrees that MTC or any of MTC’s duly authorized representatives shall have access to and the right to examine any directly pertinent books, documents, papers, and records of such subconsultant for the term specified above. “Subconsultant” is defined in Article 14.0 Subcontracts, below.

14.0 SUBCONTRACTS

A. For purposes of this Agreement, “subconsultant” shall mean any consultant, contractor or third party approved by MTC under contract with the AGENCY to perform Project work. Any subconsultants must be engaged under written contract with AGENCY with provisions allowing AGENCY to comply with all requirements of this Agreement. Failure of a subconsultant to provide any insurance required under this Agreement shall be at the risk of AGENCY. MTC’s Project Manager shall be notified in writing of any substitution or addition of subconsultants.

For any Project funded by the Federal Transit Authority (FTA), Federal Highway Administration (FHWA) or Caltrans, AGENCY shall complete Form 10-C, as may be revised by Caltrans from time to time, within thirty (30) days of executing an agreement with a subconsultant and submit it to MTC’s Project Manager. MTC shall not process payment of any invoice under the applicable Supplement relating to work by a subconsultant unless AGENCY shall have submitted to MTC a Form 10-C with respect to its contract with such subconsultant.

B. Nothing contained in this Agreement or otherwise, shall create any contractual relation between MTC and any subconsultants, and no subcontract shall relieve AGENCY of his/her
responsibilities and obligations hereunder. AGENCY agrees to be as fully responsible to MTC for the acts and omissions of its subconsultants and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by AGENCY. AGENCY’s obligation to pay its subconsultants is an independent obligation from MTC’s obligation to make payments to AGENCY.

C. Applicable provisions of this Agreement shall be included in any subcontract or subconsultant agreement in excess of $25,000 entered into under of this Agreement.

15.0 PROHIBITED INTERESTS

No member, officer, employee or agent of MTC, during his/her tenure shall have any prohibited interest as defined by California Government Code Sections 1090, et seq., direct or indirect, in the Agreement or the proceeds thereof. Prohibited interests include interests of immediate family members, domestic partners, and their employers or prospective employers. Accordingly, AGENCY further covenants that it has made a complete disclosure to MTC of all facts of which AGENCY is aware upon due inquiry bearing upon any possible interest, direct or indirect, that it believes any member, officer, agent or employee of MTC (or an immediate family member, domestic partner or employer or prospective employer of such member, officer, agent or employee) presently has, or will have in the Agreement, or in the performance thereof, or in any portion of the profits thereunder. Willful failure to make such disclosure, if any, shall constitute grounds for cancellation and termination hereof by MTC.

16.0 ORGANIZATIONAL CONFLICTS OF INTEREST

AGENCY shall take all reasonable measures to preclude the existence or development of an organizational conflict of interest in connection with work performed by subconsultants or subcontractors under this Agreement. An organizational conflict of interest occurs when, due to other activities, relationships, or contracts, a firm or person is unable, or potentially unable, to render impartial assistance or advice to MTC or AGENCY; a firm or person’s objectivity in performing the contract work is or might be impaired; or a firm or person has an unfair competitive advantage in proposing for award of a contract as a result of information gained in performance of this or some other Agreement.

AGENCY shall not engage the services of any subconsultant or subcontractor on any work related to this Agreement if the subconsultant or subcontractor, or any employee of the subconsultant or subcontractor, has an actual or apparent organizational conflict of interest related to work or services contemplated under this Agreement.

If at any time during the term of this Agreement AGENCY becomes aware of an organizational conflict of interest in connection with the work performed by a subconsultant or subcontractor hereunder, AGENCY shall immediately provide MTC with written notice of the facts and circumstances
giving rise to this organizational conflict of interest. AGENCY’s written notice will also describe alternatives for addressing or eliminating the organizational conflict of interest. If at any time during the period of performance of this Agreement, MTC becomes aware of an organizational conflict of interest in connection with performance of any work hereunder by a subconsultant or subcontractor, MTC shall similarly notify AGENCY. In the event a conflict is presented, whether disclosed by AGENCY or its subconsultant or subcontractor, or discovered by MTC, MTC will consider the conflict presented and any alternatives proposed and meet with AGENCY to determine an appropriate course of action. MTC’s determination as to the manner in which to address the conflict shall be final.

Failure to comply with this section may subject AGENCY or its subconsultant or subcontractor to damages incurred by MTC in addressing organizational conflicts that arise out of work performed by such subconsultant or subcontractor, or to termination of this Agreement for breach.

17.0 CHOICE OF LAW

All questions pertaining to the validity and interpretation of the Agreement shall be determined in accordance with the laws of the State of California applicable to agreements made and to be performed within the State.

18.0 PARTIAL INVALIDITY

If any term or condition of this Agreement is found to be illegal or unenforceable, such term or condition shall be deemed stricken and the remaining terms and conditions shall remain valid and in full force and effect.

19.0 NO THIRD PARTY BENEFICIARIES

This Agreement is not for the benefit of any person or entity other than the parties.

20.0 ORDER OF PRECEDENCE

In the event of a conflict in the provisions of this Agreement, any Supplement hereto, or the Exhibits hereto incorporated by reference into such Supplement, the following order of priority shall be used in resolving such conflict: the applicable Supplement shall have first priority, then the Exhibits incorporated into such Supplement, then this Agreement.
IN WITNESS WHEREOF, this Agreement has been executed by the parties hereto as of the day and year first written above.

2. DAVIS-BACON ACT

For all prime construction, alteration or repair contracts in excess of $2,000 awarded by FTA, the Contractor shall comply with the Davis-Bacon Act and the Copeland “Anti-Kickback” Act. Under 49 U.S.C. § 5333(a), prevailing wage protections apply to laborers and mechanics employed on FTA assisted construction, alteration, or repair projects. The Contractor will comply with the Davis-Bacon Act, 40 U.S.C. §§ 3141-3144, and 3146-3148 as supplemented by DOL regulations at 29 C.F.R. part 5, “Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction.” In accordance with the statute, the Contractor shall pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, the Contractor agrees to pay wages not less than once a week. The Contractor shall also comply with the Copeland “Anti-Kickback” Act (40 U.S.C. § 3145), as supplemented by DOL regulations at 29 C.F.R. part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in part by Loans or Grants from the United States.” The Contractor is prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

3. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT

Contract Work Hours and Safety Standards Act - (i) The AGENCY’s contractor agrees to comply with section 107 of the Contract Work Hours and Safety Standards Act, 40 U.S.C. section 333, and applicable DOL regulations, “Safety and Health Regulations for Construction” 29 C.F.R. Part 1926. Among other things, the AGENCY’s contractor agrees that it will not require any laborer or mechanic to work in unsanitary, hazardous, or dangerous surroundings or working conditions.

(ii) Subcontracts - The AGENCY’s contractor also agrees to include the requirements of this section in each subcontract. The term "subcontract" under this section is considered to refer to a person who agrees to perform any part of the labor or material requirements of a contract for construction, alteration or repair. A person who undertakes to perform a portion of a contract involving the furnishing of supplies or materials will be considered a "subcontractor" under this section if the work in question involves the performance of construction work and is to be performed: (1) directly on or near the construction site, or (2) by the employer for the specific project on a customized basis. Thus, a supplier of materials which will become an integral part of the construction is a "subcontractor" if the supplier fabricates or assembles the goods or materials in question specifically for the construction project and the work involved may be said to be construction activity. If the goods or materials in question are ordinarily sold to other customers from regular inventory, the supplier is not a "subcontractor." The requirements of this section do not apply to contracts or subcontracts for the purchase of supplies or materials or articles normally available on the open market.

4. COPELAND ANTI-KICKBACK ACT

Compliance with Copeland Act requirements - The AGENCY’s contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.
5. **PROMPT PAYMENT OF FUNDS WITHHELD TO SUBCONTRACTORS**

The AGENCY shall hold retainage from the prime contractor and shall make prompt and regular incremental acceptances of portions, as determined by the agency of the contract work and pay retainage to the prime contractor based on these acceptances. The AGENCY’s prime contractor or subcontractor shall return all monies withheld in retention from a subcontractor within 30 days after receiving payment for work satisfactorily completed and accepted including incremental acceptances of portions of the contract work by the agency. Federal regulation (49 CFR 26.29) requires that any delay or postponement of payment over 30 days may take place only for good cause and with the agency’s prior written approval. Any violation of this provision shall subject the violating AGENCY’s prime contractor or subcontractor to the penalties, sanctions, and other remedies specified in Section 7108.5 of the California Business and Professions Code. These requirements shall not be construed to limit or impair any contractual, administrative, or judicial remedies otherwise, available to the prime contractor or subcontractor in the event of a dispute involving late payment, or nonpayment by the prime contractor, deficient subcontract performance, or noncompliance by a subcontractor. This provision applies to both DBE and non-DBE prime contractors and subcontractors.
