MEMORANDUM

DATE: May 29, 2020

TO: Honorable Board of Supervisors

FROM: ^{DS}
 Jacqueline R. Onciano, Director, Dept. of Planning and Development

SUBJECT: Request for Extension on referral from the Board of Supervisors Meeting, March 10, 2020, Item #10 (ID# 100686)

At its March 10, 2020 meeting, the Board of Supervisors, at the request of President Chavez, directed the Administration to report to the Board within one month relating to options for consideration regarding options for consideration to allow nonmotorized recreational vehicles as housing in the unincorporated areas of the County, and include screening or fencing requirements for such provisions.

On April 3, 2020, the Department requested an extension until June 2, 2020, to provide options that may be considered by the Board. Due to the need to modify the Department's operations and processes in light of the COVID-19 experience, along with the need to continue to develop alternative options, the Department requests an extension to September 15, 2020, to provide options that may be considered by the Board.
