TO: The Honorable Members of the Board of Supervisors
Jeffrey V. Smith, M.D., J.D., County Executive

FROM: Paul E. Lorenz 
Chief Executive Officer, Santa Clara Valley Medical Center Hospitals and Clinics

SUBJECT: De Paul Health Center

On November 24, 2020, Supervisor Chavez's office inquired regarding when the De Paul Health Clinic would be open to take patients, if not already, and Health Center's patient capacity. This memo provides the requested information.

The De Paul Health Center is currently providing services through an urgent care clinic, general surgery clinic and a pediatric clinic. In addition, there is bed capacity for 36 patients that could be utilized for COVID-19 surge.

Additional clinics are being readied to provide easier access to services. These include breast cancer care and obstetric/gynecological clinics.
