Subject: Request for Extension to Referral from the Board of Supervisors Meeting on
December 15, 2020 (Item No. 13)

At its December 15, 2020 (Item No. 13) meeting, the Board of Supervisors directed the Administration to make a recommendation relating to the expansion of investment in County nonprofit partners providing legal support services for residents impacted by an inability to pay rent. The Administration requests an extension to the May 25, 2021 Board of Supervisors meeting. Additional time was needed to outline the available service options that residential tenants have when the tenant protections expire in the latest eviction moratorium set to expire on June 30, 2021.

The Administration through the Office of Supportive Housing has been meeting regularly with legal service providers to understand the existing workflow for families that need legal assistance because they are unable to pay their rent, identifying gaps within the existing system and developing recommendations to address the gaps. An initial report was presented at the March 25, 2021 Housing, Land Use, Environment, and Transportation Committee (HLUET) meeting.
