SUBJECT: **OFF AGENDA REPORT REGARDING COVID-19 BIVALENT
BOOSTER RATES BY CITY – WEEKLY UPDATED DATA**

At the February 08, 2023 Health and Hospital Committee, Supervisor Simitian requested a weekly off-agenda report providing Bivalent Booster data by city. Please see the attachment for the updated data as of March 12, 2023. Of note, there has been little change since the last report in the bivalent booster rate by city as the overall uptake of the bivalent booster has slowed considerably.
